ChiliProject - Feature # 219: Add plugin hooks to the mailer layout

Status:	Closed	**Priority:**	Normal
Author:	Eric Davis	**Category:**	Mail Sending
Created:	2011-02-24	**Assignee:**	Eric Davis
Updated:	2011-03-14	**Due date:**	

Remote issue URL:	
Affected version:	
Description:	With these plugin hooks in the mailer layout, plugins can add content to mail notifications.
	The code is on a separate branch, I'll merge it into a ChiliProject branch later:
