

ChiliProject - Bug # 1027: Tab order for dropdown login form

| | | | |
|---|-----------------|------------------|--------|
| Status: | Open | Priority: | Normal |
| Author: | Michael Prasuhn | Category: | |
| Created: | 2012-06-04 | Assignee: | |
| Updated: | 2012-06-04 | Due date: | |
| Remote issue URL: | | | |
| Affected version: | | | |
| Description: The default login form that's available by clicking on the dropdown in the top right corner on pages has the submit button placed in the middle of the form causing the tab order to be username->pass->submit->openID->remember me Ideally the submit button would be last regardless of the visual placement. | | | |
