

ChiliProject - Bug # 1033: Replace vendored gravatar lib by gem

Status:	Closed	Priority:	Normal
Author:	Felix Schäfer	Category:	Libraries
Created:	2012-06-09	Assignee:	Holger Just
Updated:	2012-06-09	Due date:	
Remote issue URL:			
Affected version:			
Description:	Currently the gravatar lib we use is vendored and has been patched with regard to upstream to handle @title@ attributes on gravatar images. This should be changed to a gem, preferably more flexible to avoid having to monkey-patch it.
