

ChiliProject - Bug # 1089: TypeError (can't convert nil into String) while Processing IssuesController#show to pdf

Status:	Open	Priority:	Normal
Author:	David Parrish	Category:	Issue tracking
Created:	2012-07-23	Assignee:	
Updated:	2012-07-23	Due date:	
Remote issue URL:			
Affected version:	3.1.0		
Description:	<p>I am getting the same error as here: #561 although I am running version v3.1.0. I have the changes made by the patch in that issue already.</p> <p>I have enabled backlogs version 0.9.26, but I don't know if that is causing the problem. I'm guessing it probably is.</p> <p>Here is the output from my log:</p> <pre><pre> Processing IssuesController#show to pdf (for 75.189.249.9 at 2012-07-22 18:36:23) [GET] Parameters: {"id"=>"17", "format"=>"pdf", "controller"=>"issues", "action"=>"show"} TypeError (can't convert nil into String): lib/redmine/export/pdf.rb:417:in `+' lib/redmine/export/pdf.rb:417:in `issue_to_pdf' lib/redmine/export/pdf.rb:416:in `each' lib/redmine/export/pdf.rb:416:in `issue_to_pdf' lib/redmine/export/pdf.rb:410:in `each' lib/redmine/export/pdf.rb:410:in `issue_to_pdf' app/controllers/issues_controller.rb:106 app/controllers/issues_controller.rb:102:in `show' passenger (3.0.1) lib/phusion_passenger/rack/request_handler.rb:96:in `process_request' passenger (3.0.1) lib/phusion_passenger/abstract_request_handler.rb:513:in `accept_and_process_next_request' passenger (3.0.1) lib/phusion_passenger/abstract_request_handler.rb:274:in `main_loop' passenger (3.0.1) lib/phusion_passenger/classic_rails/application_spawner.rb:321:in `start_request_handler' passenger (3.0.1) lib/phusion_passenger/classic_rails/application_spawner.rb:275:in `send' passenger (3.0.1) lib/phusion_passenger/classic_rails/application_spawner.rb:275:in `handle_spawn_application' passenger (3.0.1) lib/phusion_passenger/utils.rb:479:in `safe_fork' passenger (3.0.1) lib/phusion_passenger/classic_rails/application_spawner.rb:270:in `handle_spawn_application' passenger (3.0.1) lib/phusion_passenger/abstract_server.rb:357:in `__send__' passenger (3.0.1) lib/phusion_passenger/abstract_server.rb:357:in `server_main_loop' passenger (3.0.1) lib/phusion_passenger/abstract_server.rb:206:in `start_synchronously' passenger (3.0.1) lib/phusion_passenger/abstract_server.rb:180:in `start' passenger (3.0.1) lib/phusion_passenger/classic_rails/application_spawner.rb:149:in `start' passenger (3.0.1) lib/phusion_passenger/spawn_manager.rb:219:in `spawn_rails_application' passenger (3.0.1) lib/phusion_passenger/abstract_server_collection.rb:132:in `lookup_or_add' passenger (3.0.1) lib/phusion_passenger/spawn_manager.rb:214:in `spawn_rails_application' passenger (3.0.1) lib/phusion_passenger/abstract_server_collection.rb:82:in `synchronize' passenger (3.0.1) lib/phusion_passenger/abstract_server_collection.rb:79:in `synchronize' passenger (3.0.1) lib/phusion_passenger/spawn_manager.rb:213:in `spawn_rails_application'</pre>
