

ChiliProject - Feature # 1129: Pull out lib/SVG and replace with svg-graph gem

Status:	Open	Priority:	Normal
Author:	Holger Just	Category:	
Created:	2012-08-24	Assignee:	
Updated:	2012-08-24	Due date:	
Remote issue URL:			
Affected version:			
Description: The current vendored SVG library has major issues on Ruby 1.9 (e.g. @ParseDate@ is not available anymore). This e.g. prevents the redmine_graphs plugin from working on 1.9. There exists a "fork" of the SVG library which aims to make it 1.9 compatible and provide it as a Gem, there is no aim to add or change any actual features. We should remove the vendored library and instead use the gem. * http://rubygems.org/gems/svg-graph * https://github.com/clbustos/svg-graph
