ChiliProject - Bug # 1175: After conversion of Gantt to PDF and PNG, UTF-8 characters become non-readable.

Status:	Open	**Priority:**	Normal
Author:	Nye Bill	**Category:**	
Created:	2012-11-02	**Assignee:**	
Updated:	2012-11-02	**Due date:**	
Remote issue URL:			
Affected version:	3.3.0		
Description:	If an issue title is in UTF-8, after a conversion, the issue title becomes ??? or some other weird characters in PDF or PNG. You should check it out.
