

ChiliProject - Bug # 1176: 404 "create spent Time" with none empty issue field

Status:	Open	Priority:	Normal
Author:	Denny Schierz	Category:	Time entries
Created:	2012-11-02	Assignee:	
Updated:	2012-11-02	Due date:	
Remote issue URL:			
Affected version:	2.5.0		
Description:	hi, one student found, the he gets a 404 message, if he tries to create a "Spent Time" and don't let the "issue" field empty. So he asks, if it is a normal behavior, or a bug. I think, he doesn't get a 404 if he type an issuenumber into that field, right?
