

ChiliProject - Feature # 1211: to make add new wiki page more intuitive

Status:	Open	Priority:	Normal
Author:	nick tan	Category:	Wikis
Created:	2013-01-18	Assignee:	
Updated:	2013-01-18	Due date:	
Remote issue URL:			
Affected version:	3.5.1		
Description:	hi, folks		
	when I tried to add wiki page, it's not intuitive to add new wiki pages, I have to use the specific macro		
	is it possible to add a "new wiki" button/hyperlink at the right top/bottom? since we also looking for this kind of button to create new wiki page		
	thanks:)
