

ChiliProject - Feature # 1304: Color highlighting for due date crossed issues

Status:	Open	Priority:	Normal
Author:	Adithyan K	Category:	Issue tracking
Created:	2013-09-29	Assignee:	
Updated:	2013-09-29	Due date:	
Remote issue URL:			
Affected version:			
Description: # Wherever the issues are shown in table views or form like views, the background color of the field that is showing the due date should be either red or orange based on whether the due date is crossed or not? # These colors can be kept configurable in the Settings -> Issues tab
