

ChiliProject - Feature # 140: Default order of columns displayed on the issue list

Status:	Open	Priority:	Low
Author:	Aleksey Zapparov	Category:	Issue tracking
Created:	2011-02-04	Assignee:	
Updated:	2011-02-10	Due date:	
Remote issue URL:			
Affected version:			
Description: Right now one can set default columns to be shown on the issue list:			
<pre><pre> Adminsitration -> Settings -> Issue Tracking -> Default columns displayed on the issue list </pre></pre>			
It would be great to have ability to order them as well.
