

ChiliProject - Bug # 183: Rename Gantt milestone images

Status:	Open	Priority:	Normal
Author:	Eric Davis	Category:	User interface
Created:	2011-02-11	Assignee:	Eric Davis
Updated:	2011-02-11	Due date:	
Remote issue URL:			
Affected version:			
Description:	The Gantt chart uses milestone*.png images for shading the different elements on the chart. These should be renamed to use the standard labels in ChiliProject based on their purpose (issue vs task, version vs milestone)		
	commit:98c7c179ca3fb614ba4544f1199eaaaae56c6524
