

ChiliProject - Feature # 224: Allow multiple assignees per issue

Status:	Open	Priority:	Normal
Author:	Mark Thomas	Category:	
Created:	2011-02-25	Assignee:	
Updated:	2012-09-07	Due date:	
Remote issue URL:			
Affected version:			
Description:	In agile teams it is common to assign a pair to a task. I think it would be great to allow multiple assignees to an issue. (We use them to track Scrum tasks)

+1 While we have adjusted to single ownership, it would be incredibly helpful to have multi-assignee support.

2012-07-04 04:20 pm - Raphael MESSNER

+1 It can be usefull in larger organization
