

## ChiliProject - Feature # 304: Add a helper to format user lists

<b>Status:</b>	Closed	<b>Priority:</b>	Normal
<b>Author:</b>	Felix Schäfer	<b>Category:</b>	User interface
<b>Created:</b>	2011-03-24	<b>Assignee:</b>	
<b>Updated:</b>	2011-05-19	<b>Due date:</b>	
<b>Remote issue URL:</b>			
<b>Affected version:</b>			
<b>Description:</b>	There's currently no central place to define how a user list should look like, having a helper for that would make it easier to extend/override how all the user lists are formatted. (example of a user list: source:/app/views/projects/_members_box.html.erb#L5)		

### Associated revisions

Merged this in commit:6598a44dde476fb1d5d010fbadf2fdb7db2597e. Existing user lists should be refactored accordingly, see #420.
