Author:	Eric Davis	Category:	Journals / History
Created:	2011-05-13	Assignee:	Felix Schäfer
Updated:	2011-05-19	Due date:	
Remote issue URL:			
Affected version:	unstable		
Description:	> The issue notes preview is probably missing (commit:e06b5815)		

History

2011-05-13 11:10 pm - Felix Schäfer

- Assignee set to Felix Schäfer

I've reviewed this one again for our aaj to 1.3.0 merge, and I think it was all working as expected after all, I'll make sure it works on current unstable too.

2011-05-19 09:19 pm - Felix Schäfer

- Status changed from Open to Declined

As far as I was able to test the preview on the new issue form as well on the issue edit form works as expected.
