

ChiliProject - Feature # 496: Filter issues which are blocked

Status:	Open	Priority:	Normal
Author:	Maccabee Levine	Category:	Issue tracking
Created:	2011-06-29	Assignee:	
Updated:	2011-06-29	Due date:	
Remote issue URL:	http://www.redmine.org/issues/4985		
Affected version:			
Description:	It should be possible to filter out issues which have a 'blocked by' relationship, so that you can see only those issues you can actually work on. (Related: filter out issues with an 'after' relationship.)		
	This issue on the Redmine tracker has 4 dups, some of which are over two years old. So, seems like a common requirement.
