

ChiliProject - Feature # 533: Time tracking addition of start datetime and end datetime

Status:	Open	Priority:	Normal
Author:	Jim McAleer	Category:	
Created:	2011-07-22	Assignee:	
Updated:	2011-07-22	Due date:	
Remote issue URL:			
Affected version:			
Description:	I'd like to be able to see real start date times and end date times on time_entries table. And make them optionally editable base on overall system or by role. Calculation of hours could be based of that.
