ChiliProject - Feature # 565: Issues: Button to tick all Users

Status:	Needs more information	**Priority:**	Normal
Author:	Ferdinand Thommes	**Category:**	Issue tracking
Created:	2011-08-07	**Assignee:**	
Updated:	2011-08-08	**Due date:**	
Remote issue URL:			
Affected version:			
Description:	A button to tick all users to inform them about a new issue would be more than welcome.		
	(i just had to tick ~ 100, one by one)		
	Button to tick all members of subprojects would also come handy		

History

2011-08-08 02:25 am - Tom Rochette

- Status changed from Open to Needs more information

Are you referring to the list of watchers to have on a new issue? If not, can you be more precise? Thanks :)

2011-08-08 06:57 am - Ferdinand Thommes

Yes, sorry. I am speaking of the list of watchers.
