

ChiliProject - Feature # 712: My Page should adhere to sorting and columns for saved filters

Status:	Open	Priority:	Normal
Author:	Brian Jacobi	Category:	My Page
Created:	2011-11-17	Assignee:	
Updated:	2011-11-17	Due date:	
Remote issue URL:			
Affected version:			
Description:	As a project member, when I use a saved filter on my page it should display the same results as the filter on the issues view page. Specifically, columns and sorting.		

Associated revisions
