

ChiliProject - Bug # 741: Accessibility: Tooltip in calendar

Status:	Open	Priority:	Normal
Author:	Romano Licker	Category:	User interface
Created:	2011-11-30	Assignee:	
Updated:	2011-11-30	Due date:	
Remote issue URL:			
Affected version:			
Description: Hovering over an issue reveals the most relevant information on a ticket. This feature can not be triggered without using a mouse. I propose to trigger it also, when focussing the ticket, meaning you can reach it using 'tab'.
