ChiliProject - Bug # 775: Activity view too verbose

Status:	Closed	**Priority:**	Normal	
Author:	Felix Schäfer	**Category:**	Journals / History	
Created:	2011-12-18	**Assignee:**	Holger Just	
Updated:	2012-01-31	**Due date:**		

Remote issue URL:	
Affected version:	unstable
Description:	On the activity view, there seems to be activity entries for each time a file is downloaded, and the top forum post/thread appears each time an answer is posted to this thread (in addition to the activity entry for the answer itself). This is probably related to AAJ.
