Sorry there is an issue in the patch provided on Redmine.org :

in *app/helpers/timelog_helper.rb* :

here are 2 lines to add at the beginning:

<pre><code class="ruby">

...

...

Foundation, Inc., 51 Franklin Street, Fifth Floor, Boston, MA 02110-1301, USA.

#html_escape

include ERB::Util

module TimelogHelper

...

...

</code></pre>
