2012-01-25 05:23 pm - Holger Just

- *Category deleted (Issue tracking)*

- *Status changed from Open to Declined*

I'm pretty sure you came to the wrong issue tracker. This one is for the actual ChiliProject which probably is the software you use for your issue tracking. And thus, this issue is definitely out-of-scope here.

Please check the sites and re-create the issue at your site.
