ChiliProject - Bug # 925: Lack of word wrap in left column menu looks messy with localization

Status:	Open	**Priority:**	Normal
Author:	Andrey Mikhaylov	**Category:**	Themes
Created:	2012-03-08	**Assignee:**	
Updated:	2012-03-08	**Due date:**	
Remote issue URL:			
Affected version:			
Description:	See the attached screenshot: localized menu items get outside the sidebar. :(		
	I've also attached a patch that resolves the issue.

- Target version deleted (3.1.0)

Ah... I should've set the affected version to 3.0. And now i can't find where to change it.
