ChiliProject - Bug # 929: Missing links in Issues section in left menu bar

Status:	Closed	**Priority:**	Normal
Author:	Tom Rochette	**Category:**	Issue tracking
Created:	2012-03-13	**Assignee:**	
Updated:	2012-04-04	**Due date:**	

Remote issue URL:	
Affected version:	3.0.0
Description:	The link to the issue report/summary is missing (page issues/report) from the left menu bar. It was found under the issues header in redmine and still seems to exist under chiliproject, but that section is empty (maybe it was forgotten?) at the moment. Section looked like: Issues View all issue => points to issues Summary => points to issues/report
