

ChiliProject - Bug # 979: Register / Login not available if authentication required

Status:	Closed	Priority:	Normal
Author:	Harald Klimach	Category:	User interface
Created:	2012-04-11	Assignee:	
Updated:	2012-07-09	Due date:	
Remote issue URL:			
Affected version:	3.1.0		
Description:	<p>The account-nav is not visible at all, if the authentication is required. However it is needed to provide a link to the self-registration. The following patch seems to address this problem (and deactivates the search for not logged in users, if authentication is required):</p> <pre><pre>diff --git a/app/views/layouts/base.rhtml b/app/views/layouts/base.rhtml index b490262..258c58e 100644 --- a/app/views/layouts/base.rhtml +++ b/app/views/layouts/base.rhtml @@ -34,12 +34,14 @@ <div id="header"> <div id="logo"><%= link_to(h(Setting.app_title), home_path) %></div> <div id="top-menu-items"> + <% if User.current.logged? !Setting.login_required? %> <div id="search"> <%= render :partial => 'search/quick_search', :locals => { :search_term => @question} %> - </div> + </div> + <% end %> - <% if User.current.logged? !Setting.login_required? %> <ul id="account-nav"> + <% if User.current.logged? !Setting.login_required? %> <% main_top_menu_items.each do item %> <%= render_menu_node(item) %> <% end %> @@ -74,7 +76,8 @@ <% end %> - <%= render_menu_node(help_menu_item) %> + <%= render_menu_node(help_menu_item) %> + <% end %> <% unless User.current.logged? %> <% if Setting.self_registration? %> @@ -98,7 +101,6 @@ <% end %> - <% end %> </div> </div> <div id="breadcrumb"></pre>

Any chance for inclusion of this patch, or comment on its invalidity? Thanks.

Sad, you couldn't consider this for the 3.2.

I would appreciate any feedback, what's wrong with this change.

- Status changed from Open to Ready for review

- Assignee set to Felix Schäfer

- Target version set to 3.3.0

To be honest I fear we totally missed it, sorry. I'll see about including it in 3.3.

Thanks a lot.

I just wanted to know if this is the "right" way to fix the issue ;)

Seems OK from a first look, I'll do a little log-diving to see where this got lost and see if we can add tests for it before committing it though (or if you want to have a crack at the tests: be my guest ;-)
